

Year 2005 Projects

Project Name	Activity	Project Description	Habitat Type	Acreage	Linear Miles
Andersons Corner Agland	Protection/Maintenance	State purchase of development rights on agricultural land	Forest/Woodland	95.00	
Assawoman-east Project	Rehabilitation	Combined State/Federal effort to control invasive plants	Tidal Wetland	220.00	
Assawoman-west Project	Rehabilitation	Combined State/Federal effort to control invasive plants	Tidal Wetland	10.00	
AWA-Miller Neck	Protection/Maintenance	Controlled burn to aid native grass growth and control weeds	Field/Meadow	20.00	
AWA-Muddy Neck	Reestablishment	Planted native trees along farm ditch	Agricultural Land	1.00	
Bay City Project	Enhancement	Modification of old ditches in tidal marsh to enhance habitat and restore natural hydrology	Tidal Wetland	10.00	
Bull Pine Corners Project1	Reestablishment	Plant native trees	Agricultural Land	10.70	
Bull Pine Corners Project2	Establishment	Plant native warm-season grasses	Agricultural Land	0.80	
Cedar Neck-east Project	Rehabilitation	Combined State/Federal effort to control invasive plants	Tidal Wetland	20.00	
Cedar Neck-south Project	Rehabilitation	Combined State/Federal effort to control invasive plants	Tidal Wetland	10.00	
Cross Keys Project1	Reestablishment	Plant native trees	Agricultural Land	25.30	
Cross Keys Project2	Establishment	Plant native warm-season grasses	Agricultural Land	8.10	
Dodd Tract	Protection/Maintenance	State placement of conservation easement on wooded land	Forest/Woodland	5.00	
Frankford-west Project1	Rehabilitation	Excavation/surface modification to restore hydrology to freshwater non-tidal wetland	Agricultural Land	1.00	
Frankford-west Project2	Reestablishment	Plant native trees	Agricultural Land	1.50	
Frankford-west Project3	Establishment	Plant native warm-season grasses	Agricultural Land	3.00	
Godwin Tract	Protection/Maintenance	State fee simple purchase of wooded land	Forest/Woodland	179.00	
Hetty-Fisher Project	Rehabilitation	Combined State/Federal effort to control invasive plants	Tidal Wetland	5.00	
Hickory Hill Agland	Protection/Maintenance	State purchase of development rights on agricultural land	Agricultural Land	105.00	
Holts Landing Project	Enhancement	Modification of old ditches in tidal marsh to enhance habitat and restore natural hydrology	Tidal Wetland	5.00	
Indian Riverview Project	Rehabilitation	Combined State/Federal effort to control invasive plants	Tidal Wetland	10.00	
Lizzard Hill Project1	Rehabilitation	Excavation/surface modification to restore hydrology to freshwater non-tidal wetland	Agricultural Land	1.00	
Lizzard Hill Project2	Establishment	Plant native warm-season grasses	Agricultural Land	1.00	
Lizzard Hill Project3	Reestablishment	Plant native trees	Agricultural Land	2.00	
Long Tract	Protection/Maintenance	State fee simple purchase of wooded land	Forest/Woodland	245.00	
Mallard Lakes	Enhancement	Modification of old ditches in tidal marsh to enhance habitat and	Tidal Wetland	5.00	

Project		restore natural hydrology			
Millsboro Eel Ladder	Reestablishment	Installed American eel passage over dam to allow access to pond/streams	Pond	101.00	
Mulberry Knoll Project	Enhancement	Modification of old ditches in tidal marsh to enhance habitat and restore natural hydrology	Tidal Wetland	6.00	
Pine Bay Project	Enhancement	Modification of old ditches in tidal marsh to enhance habitat and restore natural hydrology	Tidal Wetland	5.00	
Piney Grove Project1	Rehabilitation	Excavation/surface modification to restore hydrology to freshwater non-tidal wetland	Agricultural Land	1.00	
Piney Grove Project2	Reestablishment	Plant native trees	Agricultural Land	10.40	
Robinsonville Project1	Rehabilitation	Excavation/surface modification to restore hydrology to freshwater non-tidal wetland	Agricultural Land	0.90	
Robinsonville Project2	Establishment	Plant native warm-season grasses	Agricultural Land	10.00	
Steiner Tract	Protection/ Maintenance	State placement of conservation easement on wooded land	Forest/Woodland	123.78	
Substation Project	Reestablishment	Plant native trees	Agricultural Land	2.20	
White Oak Creek Project	Rehabilitation	Combined State/Federal effort to control invasive plants	Tidal Wetland	10.00	
Total				1,269.68
