

Year 2003 Projects

Project Name	Activity	Project Description	Habitat Type	Acreage	Linear Miles
Allapattah	Protection	Acquisition of lands for restoration of isolated wetlands and Pine Flatwood uplands	Uplands	7,259.97	
Barrier Island Ecosystem Center	Rehabilitation	Removal of exotic invasive plant species - Brazilian pepper trees	Barrier Island	6.00	
Bear Point	Re-Establishment	Reconnection of impounded wetlands for habitat benefits.	Wetland	325.00	
Establishment of fringing mangrove habitat	Establishment	Planting of mangrove fringing habitat	Mangroves	1.35	
Indrio Blueway Buffer - wetland acquisition	Re-Establishment	Acquisition of wetlands for mosquito control - reconnection to lagoon - and for preservation of native uplands	Wetland	105.00	
Kabboord Nature Sanctuary	Rehabilitation	Removal of exotic invasive plant species - Brazilian pepper trees	Uplands	12.00	
Lagoon-wide - coastal salt marshes and mangrove swamps	Rehabilitation	Removal of exotic invasive plant species - Brazilian pepper trees	Wetland	137.00	
Lost Tree Islands and McCuller's Point	Protection	Acquisition of lagoon islands - coastal wetlands and submerged bottomland for protection and passive recreation	Wetland	508.00	
Merritt Island National Wildlife Refuge	Re-Establishment	Reconnection of impounded wetlands for habitat benefits.	Wetland	602.00	
Merritt Island National Wildlife Refuge	Rehabilitation	Removal of exotic invasive plant species - Brazilian pepper trees	Uplands		48.50
Merritt Island National Wildlife Refuge	Rehabilitation	Removal of exotic invasive plant species - Australian Pine - cogangrass - bamboo - and Eucalyptus	Uplands	110.00	
Merritt Island National Wildlife Refuge	Rehabilitation	Removal of exotic invasive plant species- Melaleuca	Wetland	2,400.00	
Mosquito Lagoon	Re-Establishment	Leveling of spoil mounds to marsh elevations and partial filling of dragline ditches to maximize area re-established as salt marsh	Wetland	25.76	
Pal-Mar	Protection	Acquisition of lands for restoration of isolated wetlands and Pine Flatwood uplands	Uplands	2,500.17	
Pal-Mar East (Nine Jem)	Protection	Acquisition of permanent conservation easements for restoration of freshwater wetlands	Wetland	1,200.00	
Pine Island	Protection	Acquisition of lands for construction of stormwater treatment ponds and restoration of isolated wetlands and pine flatwood uplands.	Uplands	38.79	
Pine Island	Re-Establishment	Removal of dredge spoil deposition to restore marsh habitat	Wetland	10.00	
Pine Island	Rehabilitation	Removal of exotic invasive plant species - Brazilian pepper trees	Uplands	3.00	
Pine Island	Rehabilitation	Removal of exotic invasive plant species - Brazilian pepper trees	Uplands	50.00	
Steele Dairy	Protection	Acquisition of permanent conservation easements for restoration of freshwater wetlands	Wetland	960.00	
Total				16,254.04	48.50
