

Year 2004 Projects

Project Name	Activity	Project Description	Habitat Type	Acreage	Linear Miles
Allapattah Ranch	Protection	Acquisition of lands for restoration of isolated wetlands and pine flatwood uplands.	Uplands	961.00	
Allapattah Ranch	Rehabilitation	Chemical Treatment of Brazilian Pepper, Melaleuca, Lygodium, Cogangrass and other woody exotics.	Uplands	2,870.00	
Allapattah Ranch	Rehabilitation	Plantings of Florida slash pine seedlings.	Uplands	265.00	
Bear Point Mitbank	Re-Establishment	Installation of 24 culverts and removal of exotic vegetation along shoreline and in wetland area.	Wetland	317.00	
Bob Graham Beach Addition	Protection	Beach and riverfront acquisition.	Estuarine	5.50	
C-23/24 South Reservoir	Rehabilitation	Acquisition of lands for construction of stormwater reservoir areas to provide treatment to runoff prior to discharge.	Wetland	1,429.56	
C-23/24 STA (Stormwater Treatment Area)	Rehabilitation	Acquisition of lands for construction of stormwater retention ponds re-establishment of wetlands to provide treatment to runoff prior to discharge.	Wetland	2,358.45	
Hydrologic Restoration at Jonathan Dickinson State Park.	Re-Establishment	Exotic removal and hydrological Improvements	Wetland	1.25	
Indian River County Samuel Block Property Acquisition	Protection	Uplands acquisition.	Uplands	31.65	
Indian River County Windmill Property	Protection	Wetland acquisition.	Wetland	18.62	
Indian River Lagoon Shoreline Restoration	Establishment	Establishment (planting) of mangrove fringing habitat.	Mangroves	1.50	
Indrio Blueway Buffer Preserve	Re-Establishment	Preservation through acquisition and restoration of uplands and wetlands through exotic removal	Wetland	107.00	
Jensen Beach Acquisition	Protection	Wetland and upland acquisition.	Wetland	78.00	
Lagoon-wide, coastal salt marshes and mangrove swamps	Rehabilitation	Removal of exotic invasive plant species - Brazilian Pepper trees.	Wetland	144.00	
Martin County Indian River Lagoon Reef Project	Re-Establishment	Construct reefs at two sites in the IRL.	Estuarine	1.44	
Martin County Wetlands Restoration	Re-Establishment	Reconnecting wetlands to the IRL.	Wetland	5.70	
Merritt Island National Wildlife Refuge	Rehabilitation	Complete leveling of spoil mounds to marsh elevation and partial filling of dragline ditches to maximize area returned to adjacent salt marsh elevation.	Wetland	16.00	
Merritt Island National Wildlife Refuge	Rehabilitation	Complete leveling of impoundment dikes to marsh elevation and partial filling of barrow ditches to maximize area returned to adjacent salt marsh elevation.	Wetland	17.00	
Merritt Island National Wildlife Refuge	Re-Establishment	Re-establishing tidal access through the installation of culverts	Wetland	11.00	
Paisley Beachwalk Restoration	Rehabilitation	Removal of exotic vegetation and restoration with native plant species.	Uplands	13.00	
Palm Beach County Wetlands Restoration	Re-Establishment	Remove exotics, plant native species.	Wetland	0.50	
St. Lucie County Mosquito Impoundment Restoration.	Re-Establishment	Mosquito impoundment restoration.	Wetland	360.00	
Total				9,013.17
