

Year 2007 Projects

Project Name	Activity	Project Description	Habitat Type	Acreage	Linear Miles
Acquisition of additional inholdings at Cheesequake State Park	Protection / Maintenance	Lots totalling 40.61 acres were added to Cheesequake State Park by the New Jersey Green Acres program. Acquiring them removes almost all remaining inholdings and transfers management responsibility from Old Bridge Township to the State of New Jersey.	Forest / Woodland	40.61	0.00
Butler Manor Woods acquisition	Protection / Maintenance	The property has been purchased by the New York State Department of Environmental Conservation [NYSDEC], in fee simple for a total of 6.9 million dollars. The funding sources for this purchase were as follows: a grant from the National Oceanic and Atmospheric Administration through the Coastal and Estuarine Land Conservation Program \$2,685,100; The Port Authority of New York/ New Jersey \$2,075,000, the Environmental Protection Agency, Land Acquisition and Environmental Restoration Agreement under a Consent Decree \$2,139,900.	Freshwater Marsh	20.13	0.00
Total				60.74	0.00
