

Year 2005 Projects

Project Name	Activity	Project Description	Habitat Type	Acreage	Linear Miles
300E Rd mp 0.70 Culvert Replacement	Reestablishment	Replacement of a fish passage barrier culvert	Instream		0.28
300E Rd mp 1.10 Culvert Replacement	Reestablishment	Replacement of a fish passage barrier culvert	Instream		0.38
300E Rd mp 1.50 Culvert Replacement	Reestablishment	Replacement of a fish passage barrier culvert	Instream		0.23
300E Rd mp 2.25 Culvert Replacement	Reestablishment	Replacement of a fish passage barrier culvert	Instream		0.20
600 Rd mp 1.40 Culvert Replacement	Reestablishment	Replacement of a fish passage barrier culvert	Instream		0.40
Alexander Plantings	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	1.60	
BYPP - 5 Rivers	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	2.00	
BYPP - Aufdermauer1	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	2.80	
BYPP - Aufdermauer2	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	1.30	
BYPP - Blair	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	1.00	
BYPP - Bonnell	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.20	
BYPP - Bradburn	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	1.60	
BYPP - Clement	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.30	
BYPP - Dayton	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.20	
BYPP - Ediger	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.20	
BYPP - Gi	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.60	
BYPP - Gifford	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.20	
BYPP - Hoekstra	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.40	
BYPP - Holden	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.80	
BYPP - Lewis	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.90	
BYPP - Lindy	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.10	
BYPP - Methodist Church	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.70	
BYPP - Naase	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	2.00	
BYPP - Oram	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.30	
BYPP - Trask River Complex	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.70	
BYPP - Truman	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.10	
BYPP - Voight	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	1.00	
BYPP - Walker	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	1.00	
BYPP - Williams1	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.50	

BYPP - Williams2	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	1.60	
BYPP - Wilson River Complex	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.20	
Carlson Planting	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.40	
Cruiser Creek - Culverts	Reestablishment	3 culvert replacements with larger pipe arch culverts	Instream		2.00
Cruiser Creek - Instream	Enhancement	1.5 miles of log/boulder structure placement to enhance instream habitat	Instream		1.50
Cruiser Creek - Road Decommissioning	Rehabilitation	Decommissioning 3.35 miles of forest roads	Forest/Woodland		3.35
Fry-Matson Planting	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.40	
Gods Valley 3 - Harlis Creek	Enhancement	LWD placement in God's Valley Cr. Trib.	Instream		0.70
Gods Valley 4 - LWD placement	Enhancement	LWD Placement in unnamed trib of Gods Valley Creek	Instream		0.60
Gods Valley 4 - Roberson Creek Culvert	Reestablishment	Passage Improvement in Roberson Creek, Gods Valley Creek tributary	Instream		0.25
Green Diamond Plantings 1	Re-establishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	7.00	
Green Diamond Plantings 2	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	2.50	
Hoquarton Trail Plantings	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone	Riparian	2.00	
Hughey Creek Riparian	Reestablishment	Rural residential riparian planting	Riparian	0.16	
Johnson Creek LWD Project	Enhancement	Placement of LWD in a scour hole to control bank erosion	Instream		0.03
Lewis Planting	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.20	
Little Rackheap Road Decommissioning	Rehabilitation	Decommissioning 0.50 forest road miles in the NFK Nehalem watershed	Forest/Woodland		0.50
Mero Planting	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.30	
Miami River Tributary Culvert Replacement	Reestablishment	Fish passage barrier culvert replacement in the Miami River watershed	Instream		0.13
Pacific City 80 - Native Plant Restoration	Reestablishment	Remove non-native plants and plant native plants	Forest/Woodland	80.00	
PACO Scotchbroom Removal	Rehabilitation	Removal of scotchbroom along roadsides throught the Nestucca-Neskowin Watersheds	Forest/Woodland	25.00	
Phase II Mill Creek Riparian	Reestablishment	Rural residential riparian planting	Riparian	0.70	
Phase II Mill Creek Riparian	Reestablishment	Rural residential riparian fencing and planting	Riparian	0.27	
Phase II Mill Creek Riparian	Reestablishment	Rural residential riparian planting	Riparian	0.07	
Rogers Planting	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.10	
Sam Downs Culvert Replacement A	Reestablishment	Fish passage barrier culvert replacement in the Kilchis River watershed	Instream		0.20
Sam Downs Culvert Replacement B	Reestablishment	Fish passage barrier culvert replacement in the Kilchis River watershed	Instream		0.10
SF Trask Trib A Restoration	Enhancement	LWD placement in South Fork Trask River tributary	Instream		0.25

- LWD placement					
SF Trask Trib A Restoration - road decom	Rehabilitation	Road decommissioning in the South Fork Trask River watershed	Forest/Woodland		0.25
SFk Trask River Spur Road Decommissioning	Rehabilitation	Decommissioning 0.50 forest road miles in the SFk Trask River watershed	Forested Wetland		0.50
Shultz Plantings	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	3.00	
Steampot Creek Watershed Restoration	Enhancement	17 pieces lwd, 8 boulders in Steampot Creek	Instream		0.25
SWCD Planting - Love	Reestablishment	Tree planting	Riparian	0.50	
SWCD Planting - Menefee	Reestablishment	Tree planting	Riparian	3.20	
SWCD Planting - Moretti	Reestablishment	Tree planting	Riparian	1.00	
SWCD Planting - Pyle	Reestablishment	Tree planting	Riparian	1.60	
SWCD Planting - Talman	Reestablishment	Tree planting	Riparian	2.00	
Vaughn Creek - Golf Course Fish Passage Improvement	Reestablishment	Part of a larger effort on Reach 2 of Vaughn Creek, the third culvert ( 3 ft diameter 20 ft long) was replaced with a 35 ft long bridge. A series of weirs were installed to retain gravel, reduce erosion and provide gradient control.	Instream		0.50
Walker Creek Fish Passage	Reestablishment	Replace the culvert on the Nestucca River, just below the mouth of Walker Creek	Instream		2.00
White Planting	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	1.50	
Wright Plantings	Reestablishment	Invasive weed removal, planting native vegetation in the riparian zone, 1st year maintenance	Riparian	0.30	
Total				154.50	14.60
